HOUSEHOLD INCOME

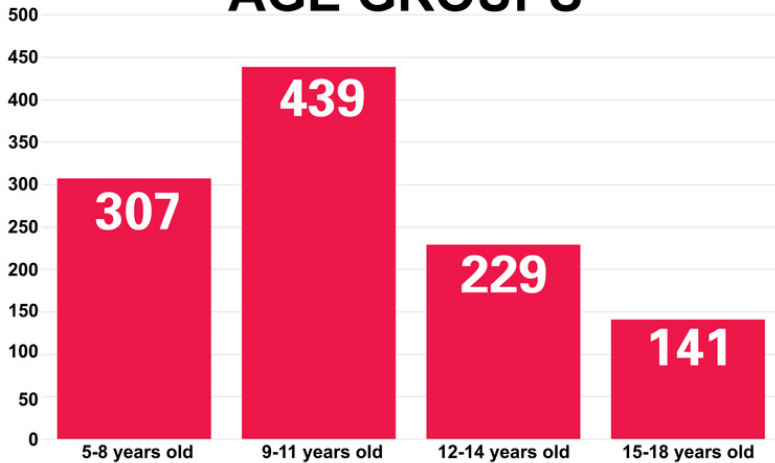

Girls Inc. inspires all girls to be strong, smart, and bold. Our comprehensive approach to whole girl development equips girls to navigate gender, economic, and social barriers and grow up healthy, educated, and independent.

These positive outcomes are achieved through three core elements: **people** - trained staff and volunteers who build lasting, mentoring relationships; **environment** - girls-only, physically and emotionally safe, where there is a sisterhood of support, high expectations, and mutual respect; and **programming**—research-based, hands-on and minds on, age-appropriate, meeting the needs of today's girls.
